Dear Mr. Keel:

At the meeting held on September 16, 1959, following recommendation of the County Engineer, the County Boundary Commission approved as to definiteness and certainty and as to the fact that these boundaries do not create islands or corridors of unincorporated territory and conform with record lines, the area proposed to be annexed to the City of Hawthorne, as set forth in the description and map submitted by your Director of Public Works, P. N. Scott, with his letter of August 31, 1959.

A copy of the approved description and a list of special districts involved are enclosed for your use.
